INTEGRITY• COMMITMENT •ADVOCACY •RESPECT •EXCELLENCE

Truman VA provides a full continuum of care in both inpatient and outpatient settings and is committed to excellent patient care, education and research. The facility offers comprehensive care including primary care, medical and surgical specialties, behavioral health, physical and occupational therapy and pharmacy services. In addition, Truman VA is a referral center for heart care services including open heart surgery. The facility also offers additional services including audiology & speech pathology, social work services, dermatology, dental, neurology, oncology, orthopedic surgery, podiatry, prosthetics, urology and vision care.

Special programs at Truman VA include:

Home Based Primary Care
OEF/OIF Seamless Transition Clinic
Substance Abuse Treatment
Suicide Awareness and Prevention
Support for Homeless Veterans
Telepsychiatry Services
Visual Impairment Services Team for Veterans
Women Veterans Program

Increasing Access to Rural Veterans:

Truman VA maintains seven community based outpatient clinics located at: Jefferson City, Osage Beach, Kirksville, Mexico, Sedalia, St. James, and Fort Leonard Wood. An eighth clinic is planned for Webster County.

Educating Future Health Care Providers

Truman VA maintains strong affiliations with the University of Missouri's School of Medicine, the Sinclair School of Nursing, the School of Health Professions and other health related programs and provides training opportunities for approximately 900 students each year.
